Verse 1

I've been playing hide and go seek
 With a heart that longs to be
 In the arms of another lover
 And I've been running from my shadow
 Lock away what I wrote
 As I try to find a way to you

Chorus 1

'Cause you are always in my mind
 Always in my heart
 Always the one that waits for me in my dreams
 You are always the one I long for
 Always the one I feel by my side
 Even though you're gone
 'Cause you are my always

Verse 2

I'm the tie on my moon
 You always pull me back to you
 And I'll lay my arms gently over your shoulders
 And when morning breaks
 And your reflection fades
 I will long the high with you among the fading stars

Chorus 2

'Cause you are always in my mind
 Always in my heart
 Always the one that waits for me in my dreams
 You are always the one I long for
 Always the one I feel by my side
 Even though you're gone
 'Cause you are always in my mind
 Always in my heart
 Always the one that waits for me in my dreams
 You are always the one I long for
 Always the one I feel by my side
 Even though you're gone

Bridge

'Cause you are always the one
 that stays by my side
 Whenever I feel I must hide
 You are always the one that makes my heart race
 Faster than the speed of light
 You are always the one that stays by my side
 Whenever I feel I must hide
 You are always the one that makes my heart race
 Faster than the speed of light

[Chorus 3]**Outro**

'Cause you are my always
 'Cause you are my always
 Yes, you are my always
